Use modern equipments. Improve student-teacher relationship. Improve learning environment.

1. There should be more use of multimedia models.

I want a lot of books in the library related to syllabus. Each class should be carefully illustrated with examples. Every college should have counselors and psychologists to relieve students from stress

1) To give due respect to teachers and educators. 2) Establish good relationships between teachers and students. 3) Regular classes at educational institutions without skipping.

Teaching and learning process is necessary like offline class and classes online recording

Uniforms should be introduced in collages and standards should be improve. Make teaching way interaction. a two

The teachers should try to illustrate the concepts through examples and applications.

We have only 6-7 RUSA CLASSROOMS, that classrooms have projector and other high-tech things. More high tech classes needed.

(1) All subjects should be taught through internet.(2) Each topic should be explained using special methods. (3) Co-curricular activities need to be added to each subject.

All very good

Best teacher of my life.

Very good system internal assessment

Sukantamahavidalaya

Over all Teaching experience are good . Our respected take care of ours and always motivate us to improve our performance . My only suggestion would be please induct Digital class room using smart board And projector LED.

We need more faculty member in our department

Use projector and learning with practicaliy not Therotical. Thank you 🙏

The some ofprofessor is not connect with us. They just act like they do for their salary nothing else

I would like to say that all teacher is good but some teacher is very angry any reason not

Semester exam offline,

Government should take strong step for college every item and other technology.

1)need some learning materials to understand topics. 2) To hear ..the conversation from teacher's should need listening materials. 3)Overall.. Teacher's kind inform

No any suggestions.

I have no idea.

Overall it's good.

Skilled teacher, increase class timing and availability of book in library

My Department of Philosophy Need a four teachers immediately.

Please increase the availability of projectors and use uses of projectors

This institution will be much better if the educational system is very good. This institution will improve only if the equivalent number of other colleges is given.

All are good.

1. Improvisation of toiletries 2. more LCD screen 3. student's common room

Internship, Placements offer, improve other skill

Online exam off

More study materials should be provided.

1) Kindly give more project and real time problem to solve. Industrial problem statements may be given as assignment. 2) Courses can be more research oriented. Kindly provide elective course based on the willingness even though less strength. 3) New technology monthly updates can be given. Activity based learning may be implemented. 4) Many competitions can be conducted and more informative seminars, lecture by an expert required. 5) More emphasis on skill based learning and promoting entrepreneur skill needed

All teacher very good teaching on my class room .and I am full satisfactory of my teaching .

All teacher very good.

Teachers should pay attention to the low learnings students. Will learn clearly and neatly if teachers improve their teach methods.ers

Teachers should focus on students who are slowly learning. They should improve and apply joyful skills of teaching for students.

Happy but will be very happy if teachers pay much attention to the slow learner students.

1. Use digital content like multimedia content. 2. use TLM. 3. Upgrade Teaching Learning process.

I hope my all teachers is be punctual

There is no advice because our department is much improved and will be further improved in the future

Our collage's LCD projector not good. Sometimes our collage's teacher become irresponsible. From our collage library we are not get perfect book for reading.

Our classroom is not good. LCD projector of our collage is not acceptable. Water is not available in our collage.

All over good

It's all good

Everything is good enough.

na

Improve water facilities, needs more sports equipment, improve collage campus

1) ICT based learning and teaching 2) Good cooperation with students 3) proper guidance for all the students

good

It should much more better to teach us And all things link to the Institute should be modified.

GOOD

Teacher should explain the chapters a little more clearly. There should be more use of the lcd monitor for the classes. Teachers should more active to identify our weaknesses and help us to overcome them.
