GREEN AUDIT COMMITTEE
SUKANTA MAHAVIDYALAYA
DHUPGURI, JALPAIGURI

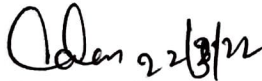

Minutes of the Meeting

DATE: 22.03.2022

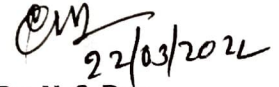

TIME: 2.30 PM

The following resolutions have been adopted:

1. Green Audit Committee proposes timely preparation of different facets of Green Audit Report like solid waste status, water uses status, energy audit, biodiversity mapping, water quality measurement, air and noise quality monitoring within the campus.
2. Green Audit Committee decided that Chemistry Department will measure water quality of all water lines, Botany and Zoology Departments will map biodiversity recording, Environmental Science and Geography Departments will monitor air and noise quality data, Physics department will calculate energy utilization and its subsequent audit, Environmental Science and Mathematics Departments will monitor waste generation pattern and subsequent recommendation to authority. Upon this analysis, Audit Committee will take further initiatives.
3. Green Audit Committee recommends maximum involvement of students to get more accustomed to the environment so that they are aware about the environmental degradation/problem to make the environment livable.
4. Green Audit Committee proposes moving towards green campus by adopting different environment-friendly options like plastic free campus, adoption of alternative energy sources as well as energy saving devices, proper waste management and water management, etc.
5. Green Audit Committee also recommended routinely conductance of environmental awareness programs on different environmental issues for their awareness. In this connection the Audit Committee also proposes the establishment of Eco-club to impart knowledge, conductance of different environment related extension activities, celebration of national and international important environment days.
6. Green Audit Committee proposes hiring of experts on time interval and evaluation of Audit report by external expert member for necessary upgradation of audit report as expert input would be very helpful for robust assessment of the gathered information.
