Dear Principal,

Greetings from NAAC!

I am glad to inform you that the outcome of the Assessment and Accreditation exercise of your institution has been processed and approved by the Executive Committee of NAAC and your institution has been **Accredited** for a period of five years with a CGPA of **2.19** on a four point scale at **B Grade** valid from 21/02/2014. The Executive Committee of NAAC in its 66th meeting held on 21st February, 2014 has decided that, henceforth there will be no "NAAC Accreditation Award Ceremony" and that the original certificate of accreditation with the quality profile should be dispatched to accredited institutions after the declaration of the result to facilitate the institutions to get their certificate at the earliest. Accordingly, your accreditation certificate will be prepared and dispatched to you soon. I am sure the detailed peer team report given to you already by the peer team will enable the institution to initiate further quality enhancement measures.

With best wishes,
Yours sincerely,

(Prof. A.N. Rai)

About the College

Our college, Sukanta Mahavidyalaya, named after the eminent Bengali poet Sri Sukanta Bhattacharya (1926-1947), was established on 25th September, 1981 at Sukanta Nagar, P.O. – Dhupguri, Dist. – Jalpaiguri, West Bengal. It is a Government-aided Degree College permanently affiliated to the University of North Bengal and enlisted under Section 2(F) and 12 (B) of the U.G.C. Act, 1956. It is situated on the Dhupguri – Falakata Road and reachable from the district town Jalpaiguri in one hour journey by bus or train. The college is situated in an area known as Dooars which is the tea belt of North Bengal other than Darjeeling.

The College has successfully completed the first circle of NAAC (National Assessment and Accreditation Council) visit during December, 2013 and subsequently was awarded Grade “B” with CGPA 2.19 which is no doubt an outstanding achievement in the history of Sukanta Mahavidyalaya. Considering the importance of NAAC visit the college authority was provided so many facilities both for stakeholders, faculties and employees of the college.

It is a great pleasure for us that the Directorate of ‘Rastriya Uchchatar Shiksha Abhiyan’ (RUSA), MHRD, Govt. of India has identified this institution as a recipient of the sanction of Two Crores for infrastructural development of the college. The College has successfully implemented RUSA project. Apart from that, our new Science Block is constructed out of the grants offered by North Bengal Development Department (NBDD), Govt. of West Bengal.

Our Mission

To create confident, dedicated, honest and upright individuals who become an asset to the society.

We provide space to the students to freely express and develop views that help them respond to changes in the society.

We recognize the challenges of an interdependent and competitive world and the need for our students to adapt and excel in it.

To develop professionals who are committed to their personal and professional endeavours and who have the vision, courage and dedication to initiate and manage change.

Our Vision

To be an academia of “first choice” to transform lives that will change the world for the better at whatever level of human endeavour they are involved.
