Employers Action Taken Report, 2021-2022:

The college authority have improved the infrastructural facilities like extension of class Rooms renovation and up gradation of college library, construction of Virtual Class Room. Apart from this, two canteens, one for college staff and other for student's have been opened. In respect of Faculties one vacancy have been filled up by transfer.

Regarding Non-teaching employees the college authority has restructured the workload and additional charges have been given to the existing employees to meet up the workload. Some casual employees are still engaged in different type of works. As soon as the court case will be dismissed substantive post could have to be filled up.

In spite of some limitation the normal activities of the college are running smoothly. There is no serious problem with college operation.
