## About the Webinar

The world wide outbreak of **COVID-19** pandemic have badly disrupted the normal-run of **teaching-learning** process including research. This difficult time demands quick appropriate decisions and measures to continue the teaching and learning process. In order to tackle this crisis in the field of higher education, MHRD and UGC have charted out certain guidelines and advisories to impart online teaching by the use of e-resources. We know that so many options are there like google classroom, zoom, CISCO WEBEX meeting, youtube etc. But this alternative teaching learning platform was not ready and lack of adequate IT infrastructure created a bar for most of the institution for delivery of effective online teaching. But during this lockdown period we have no option but to quest for an alternative way of teaching and learning.

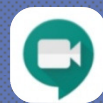

The aim and objectives of this webinar is to discuss on the issues related with this crisis of academic activities and to find out a possible alternative way of teaching and learning.

### For free registration :

Click the following link

<https://docs.google.com/forms/d/e/1FAIpQLSfoYE1smUnKPiqEiIOzpEgIYN7O9j4MN9u1nt0185mrJTKMYg/viewform>

Or willing participants may register themselves mentioning their **Name, Designation, Institution, Mobile Number & E-mail ID** sending at [apu.smv@gmail.com](mailto:apu.smv@gmail.com)

**Platform of the Webinar : Google Meet**

The details of the **programme schedule** of online session will be sent in registered E-mail ID.

**E-certificate** will be provided to the participants through email after successful completion of the webinar .
