Guidelines for Assignment Submission:

1. Assignments are available at the notice section of College homepage.
2. Download the assignment questions related to your course for the academic session 2020-2021.
3. Write/Solve the assignments on A4 size plain paper. Follow the instructions given in the assignment question paper.
4. Scan the assignments and make soft copies in pdf format for each course separately. Save the assignment files with the file name: Paper Code_ Type_REGISTRATION Number. e.g. COMSCC5_CC5_0091905030600.[follow details given in admit card]
5. **Students can submit scanned copies of handwritten assignments through the dedicated email: nbuexam.cs@gmail.com**
6. The Top sheet of answer script is available at NBU and College website. The Top Sheet must be followed by the solved assignment.
7. Give page numbers to assignments. One assignment should be made as a single pdf document i.e., All assignments of one Paper should be scanned and saved in a single pdf file only. For example, if your assignment answer is in five pages, continuously scan the five pages and finally save the five pages together as a single pdf document.
