To whom it may concern

This is to inform that the Students Satisfactory Survey which was introduced during the session 2019-20, could not be done due to COVID-19 pandemic. As we planned to ask the students to submit the SSS at the end of the session (2019-20) which continues up to June every year, the process has been interrupted due to COVID-19 pandemic you know, all the educational institutes remained closed from March 2020, so we did not have any scope to ask the students to submit SSS report.

I am sorry to say that this SSS for the academic year 2019-20 remained incomplete.

This letter is furnished for your information and advice please.

Thanking you
