Formation of Internal Committees (Grievance Committee/Internal Complaints Committee/ Anti-Ragging Committee):

The Internal committees are generally formed with the internal members of the college for smooth functioning of different activities. Experience of formation of these committees under UGC guidelines compelled us to form this committees in this manner. Because the external members from police administration, civil administration and local bodies were generally not available in the meetings of these committees. However special initiatives will be taken in future to constitute these committees in the frame of UGC guidelines.
