EXECUTION PROCEDURE OF STRATEGIC PLAN

Methodology 1: Faculty and staff development plan

- Make an effort to persuade the State Government to sanction more posts for quality teaching
- Improvement of student-to-teacher ratio in each department

Methodology 2: Introduction of Value-Added/Vocational Courses on Regional Demand

- Introduction of different value added/vocational courses based on regional demands
- Adoption of NEP guidelines in Higher education

Methodology 3: Up-gradation of the existing UG departments into PG departments

- Development of required infrastructure like classrooms and laboratories to upgrade the UG departments into PG departments
- Development of state of art laboratories for PG teaching and research
- Introduction of different value added courses
- Adoption of NEP guidelines

Methodology 4: Apply for DBT STAR COLLEGE scheme for teaching and learning improvement

- Initiatives for cross-departmental projects.
- Each department needs to do more national and industrial field trips.
- Each department should start the outreach programmes for various universities and schools.
- Improvement of existing laboratories

Methodology 5: More research grant from the Government and private funding agencies

- Encouraging the faculty members to apply in all State as well as centrally funded research boards (DST, SERB, DBT, ICSSR, Atomic research board, DRDO, etc) for different research grant.
- Establishment of collaboration with eminent institution for academic and research programs as well as for project and internship.
- Research fellow's engagement as per UGC rules and regulation.
