Subject: Report on the Completion of Educational Tour at Garubathan on 30.01.2024

Dear Sir,

I am writing to formally report on the successful completion of the educational tour to Garubathan organized by our department. The tour took place on 30th January'24 and included 101 students and 5 accompanying teachers.

The primary objective of the tour was to enhance the students' learning experience by exposing them to different cultural, historical, and geographical aspects of Garubathan. I am pleased to inform you that the tour was a resounding success, and both students and teachers benefited greatly from this enriching experience.

During the tour, the students had the opportunity to visit a Buddhist Monastery, which provided them with practical insights into the subjects they study in the classroom. They actively participated in educational activities, engaged in interactive sessions, and learned about the rich cultural heritage of Garubathan.

The behavior of our students throughout the tour was commendable. They exhibited discipline, respect, and a genuine enthusiasm for learning. I would like to express my gratitude to the accompanying teachers for their dedication and support in ensuring the smooth execution of the tour.

Once again, I express my gratitude for your support in approving and facilitating this educational tour. We look forward to organizing similar enriching experiences for our students in the future.

With regards
