Report on

1.3.3 Number of students undertaking project work/field work/ internships

Field work/project work is the required component of the BA/B.Sc./BBA students for Environmental Education (EE) under VAC-Environmental Education programme. All the students of Environmental Education [SEM - I, Session 2023-24] including BBA students were given specific topic for preparation of their eco-project. The students were divided into 6 groups (including BBA students) and topics were given as the prescribed syllabus. Altogether 2349 students were participated in the field work.
